Subject: Region 6 NPDES Activity Update for November 2009

We are pleased to forward the enclosed Region 6 NPDES Activity Update. This update focuses on our combined goal of reaching and maintaining a current permit level for all permits as included in EPA's National Water Program Guidance. The data provided reflect information available as of November 5, 2009.

Region 6 has been working closely with the States over several years to reach the current permit level goal. This update consists of Tables 1- 4 which reflect the progress that has been made to date. If you find any discrepancy with the new information or if you have any questions or concerns, please feel free to contact me directly at (214) 665-7170, or your staff may contact my staff, Syed A. Shahriyar at (214) 665-2783.

Sincerely yours,

Claudia V. Hosch
Associate Director
Water Quality Protection Division
