If reasonable potential for WET is determined to exist based on the analysis or other available information, WET limits will be included in the permit. In all cases where WET limits are required based on this procedure permittees are granted up to 3 years to come into compliance. Progress will be monitored and reported quarterly.	For more information, please contact: Municipal and General Water Permits Kim Corts P: 225.219.3208 E: kim.corts@la.gov Melissa Reboul P: 225.219.3199 E: melissa.reboul@la.gov Laura Thompson P: 225.219.3205 E: laura.thompson@la.gov	Status/Updates: 100% implemented.
