Gentlemen:

Attached are the Emissions Reduction Credit (ERC) Annual report forms submitted as required by LAC 33.III.613.B. The NO_x and VOC credits applied for are a result of shutting down the UBOB II Unit at the Geismar Facility in March 2005. The ERC Bank Application as required by LAC 33.III.615.A has been submitted under separate cover. The following certification statement is also provided pursuant to LAC 33.III.613.C.

"I certify, under provisions in Louisiana and United States law which provide criminal penalties for false statements, that based on information and belief formed after reasonable inquiry, the statements and information contained in this ERC Annual Report are true, accurate, and complete."

If you have any questions, or need additional information, please contact Mr. Keith Gordon (225) 673-0783.

Yours truly,
