Public Hearing Disclaimer: This map has been designed as a tool to be used in describing the scope of activities at the public hearing and is based on the best information available to the Louisiana Department of Environmental Quality's GIS Center at the time. The 2-mile radius circle was drawn around a point which represents the center of the facility. It is recognized that the exact center of the facility is not known. Again, the map is a utility to help you understand the location in relation to the facility.  
 LDEQ Disclaimer: The Louisiana Department of Environmental Quality (LDEQ) has made every reasonable effort to ensure accuracy and integrity in providing this map. It does not warrant, represent, or endorse any of the accuracy of any data. Therefore, LDEQ cannot guarantee the accuracy of the map or data and will not accept any responsibility for the consequences of its use.

**Public Hearing Checklist:** This map has been designed as a tool to be used in determining the order of questions at the public hearing and is based on the best information available to the Louisiana Department of Environmental Quality at the time of the map's creation. It is recognized that the map and the associated information may be subject to change and that the information may be updated as more information becomes available. The map is intended to provide a general overview of the site location and is not intended to be used as a legal document. The Louisiana Department of Environmental Quality (LDEQ) does not warrant the accuracy of the information or the results of any analysis which are of varying degrees of accuracy. Therefore, LDEQ cannot guarantee the accuracy of the map or data and does not accept any responsibility for the consequences of its use.
