

# Instructions for Joining the April 2, 2007 Emissions Inventory Training Webcast Meeting Number: 2071533

This training will occur in 2 portions – the first session will start at 9:30 am and will include basic Emissions Inventory discussions – similar to our past training sessions. At the conclusion of this session, please disconnect from the Webcast and phone conference line!

The second session will begin at 12:30 pm and will involve use of the new emissions reporting and inventory system (ERIC). Please reconnect to the webcast and the phone conference line to begin this session. The meeting number is the same for both sessions.

You can test your system in ADVANCE of the training sessions by completing steps 1-3 any time prior to the webcast. We recommend using Internet Explorer, as we have not tested other web browsers. You must connect to both the webpage and the conference phone line in order to participate in the sessions.
