List of BART Eligible Units
In Louisiana

Table 9.1 Facilities with BART-eligible Units in Louisiana

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
Kraft pulp mill	2631	1432	Graphics Packaging International, West Monroe Mill	Various emission points in facility
Kraft pulp mill	2631	3647	Smurfit-Stone Container Enterprise, Inc,	Various emission points in facility
Kraft pulp mill	2621	1338	International Paper Company, Bastrop - Louisiana Mill	Various emission points in facility
Kraft pulp mill	2621	19933	Boise Cascade, DeRidder Paper Mill	Recovery furnace, bark boiler #1, and lime kiln
Chemical process	2873	23941	Koch Nitrogen Company, Sterlington Ammonia Plant	Various emission points in facility
Kraft pulp mill	2621	2645	Weyerhaeuser Company, Red River Mill	Various emission points in facility
Fossil-fuel fired steam electric	4911	2922	Cleco Power LLC., Rodemacher Power Station	Unit 1 boiler
Fossil-fuel fired steam electric	4911	19483	Entergy Louisiana, Sterlington	Unit 7 boiler
Sulfuric acid	2819	2340	Chemtrade Refinery Services Inc., Sulfuric Acid Plant	SO_2 Scrubber Tail Gas Vent
Fossil-fuel fired steam electric	4911	8167	City of Ruston, Ruston Electrical Generation Station	Boilers 1, 2, and 3
Chemical process plant	2841	872	Procter & Gamble Manufacturing Company, Alexandria Plant	#2 process heater
Fossil-fuel fired steam electric	4911	19375	City of Natchitoches Utility Dept.	3 boilers
Petroleum refinery	2911	2418	ConocoPhillips Co., Alliance ----Refinery	Various emission points in facility
Petroleum refinery	2911	3165	Marathon Petroleum Company, LLC-LA	Various emission points and storage vessels in facility

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
			Refining Division, Garyville Refinery	
Chemical process	2873	3732	PCS Nitrogen, Geismar Plant – Ammonia Group	Various emission points in sulfuric acid, phosphoric acid, ammonia, nitric acid, and ammonium nitrate plants and other emission points in facility
Chemical process	2819	2532	Mosaic Fertilizer LLC, Uncle Sam Plant	Various emission points in facility
Carbon black	2895	2518	Degussa Engineered Carbons, LP, Ivanhoe Carbon Black Plant	Various emission points in facility
Kraft pulp mill	2621	38936	Temple Inland, Bogalusa Mill	Lime kiln, #12 hogged fuel boiler
Sulfuric acid	2819	1314	Rhodia, Inc., Baton Rouge Facility	Sulfuric acid Units 1 and 2
Sulfuric acid	2819	67572	E.I. du Pont de Nemours & Co., Inc., Burnside Plant	Sulfuric acid plant and other emission points in facility
Fossil-fuel fired steam electric	4911	38867	Louisiana Generating LLC, Big Cajun 2 Power Plant	Units 1, 2, and 3
Carbon black	2895	4174	Sid Richardson Carbon Company, Addis Plant	Units 1,2, and 3 flares and dryers 2,3, and 4
Petroleum refinery	2911	1238	Murphy Oil USA, Inc., Meraux Refinery	Various emission points in facility
Fossil-fuel fired steam electric	4911	32494	Entergy New Orleans, Michoud	Units 2 and 3
Chemical process	2822	1101	DuPont, Pontchartrain Diamines Unit	Various emission points in facility
Petroleum refinery	2911	26003	Valero Refining-New Orleans, LLC, St. Charles Refinery	Hydrotreater heater, FCC unit, flare #1, and sulfur recovery unit
Chemical process	2869	286	ExxonMobil, Baton Rouge Chemical Plant	Various emission points in facility
Petroleum refinery	2911	2638	ExxonMobil Refining & Supply Co., ExxonMobil Baton Rouge Refinery	Various emission points in facility
Kraft pulp	2621	2617	Georgia Pacific, Port	Various emission points in

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
mill			Hudson Operations	facility
Chemical process	2873	2416	CF Industries, Donaldsonville	Various emission points in the # 1, 2, 3, 4 ammonia plants, # 1 and 2 urea plants, #1 nitric acid plant and other emission points in facility
Chemical process	2869	26336	Shell Chemical LP, Norco Chemical Plant - East Site	Various emission points in facility
Kraft pulp mill	2621	2140	International Paper, Pineville Mill	Various emission points in facility
Petroleum refinery	2911	1376	Chalmette Refining, L.L.C., Chalmette Refinery	Various emission points and storage vessels in facility
Petroleum refinery	2911	2366	Placid Refining Company, L.L.C., Port Allen Refinery	Various emission points and storage vessels in facility
Petroleum refinery	2911	1406	Motiva Enterprises LLC, Norco Refinery	Various emission points in facility
Chemical process		1388	Gramercy Alumina	Various emission points in facility
Chemical process	2869	2083	Union Carbide Corp., Taft/Star Manufacturing Complex	Various emission points and storage vessels in facility
Chemical process	2873	2425	Mosaic Fertilizer LLC, Faustina Plant	Various emission points in facility
Secondary metal production	3341	1396	Exide Technologies, Baton Rouge Smelter	Various emission points in facility
Chemical process	2869	1708	Chevron Oronite Company LLC, Oak Point Plant	Incinerator
Fossil-fuel fired steam electric	4911	83898	Entergy Louisiana, Waterford	Units 1 and 2
Fossil-fuel fired steam electric	4911	2625	Entergy Gulf States, Willow Glen	Units 2, 3, 4, and 5 boilers
Kraft pulp mill	2611	2073	Tembec USA LLC, St. Francisville Mill	Various emission points in facility

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
Fossil-fuel fired steam electric	4911	26326	Louisiana Energy & Power Authority, Morgan City Steam Plant	Units 1, 2, 3, and 4 boilers
Chemical process	2869	2049	BASF Corporation, Geismar Site	Boiler #6
Chemical process	2869	1136	Shell Chemical LP, Geismar Plant	Various emission points in facility
Petroleum refinery	2911	1250	CITGO Petroleum, Lake Charles Manufacturing Complex	Various emission points in facility
Carbon black	2895	1291	Cabot Corporation, Cabot Ville Platte Plant	Various emission points in facility
Fossil-fuel fired steam electric	4911	2841	Entergy Louisiana, Ninemile Point	Units 4 and 5 boilers
Chemical process plant	2865	1607	TOTAL Petrochemicals USA, Inc., Cos-Mar Styrene Monomer Plant	Various emission points and storage vessels in facility
Chemical process	2865	27051	Lyondell Chemical Company, Lake Charles Plant	Various emission points in nitric acid plant and in facility
Fossil-fuel fired steam electric	4911	7893	Entergy Gulf States, Nelson	# 4 boiler
Fossil-fuel fired steam electric	4911	2432	Cleco Power LLC., Teche Power Station	Unit 3 boiler
Chemical process	2869	5565	Williams Olefins LLC, Geismar Ethylene Plant	Olefin cracking heaters
Fossil-fuel fired steam electric	4911	26034	Louisiana Energy and Power Authority, Plaquemine Steam Plant	Boilers 1 and 2
Chemical process	2869	1433	Chemtura USA Corporation, Geismar Plant	Various emission points in facility

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
Chemical process	2869	3271	Sasol North America Inc., Lake Charles Chemical Plant	Various emission points in facility
Fossil-fuel fired steam electric	4911	687	Entergy Louisiana, Little Gypsy	Units 2 and 3
Fossil-fuel fired steam electric	4911	11917	Louisiana Generating LLC, Big Cajun 1 Power Plant	Units 1 and 2
Chemical process	2822	38806	DuPont Performance Elastomers, Pontchartrain Chloroprene Unit	Various emission points and storage vessels in facility
Chemical process	2819	1409	The Dow Chemical Company, Louisiana Operations	Various emission points in facility
Chemical process	2869	1255	PPG Industries, Inc., Derivatives	Various emission points in facility
Carbon black	2895	19901	Cabot Corporation, Canal Plant	Various emission points in facility
Chemical process	2873	5337	Equistar Chemicals, Lake Charles Plant	Various emission points in facility
Fossil-fuel fired steam electric	4911	31135	Lafayette Utilities System, Louis "Doc" Bonin Electric Generation Station	Units 1, 2 and 3
Chemical process	2879	2367	Syngenta Crop Protection, St. Gabriel Plant - HCN Unit	Various emission points in facility
Chemical process	2822	1244	Firestone Polymers LLC, Lake Charles Facility	Various emission points in facility
Fossil-fuel fired steam electric plant	4911	8838	Terrebonne Parish Consolidated Government, Houma Generating Station	Units 15 and 16 boilers
Petroleum storage	5171	36538	Koch Pipeline Company, L.P., St. James Terminal	Various emission points and storage vessels in facility
Petroleum refinery	2911	2719	Motiva Enterprises, LLC, Convent Refinery	Various emission points in facility

BART Source Category Name	SIC	AI Number	Facility Name	BART-eligible Emission Unit (see Appendix 9.1 for details)
Chemical process	2865	2384	Chevron Phillips Chemical Company, LP, St. James Styrene Facility	ABC Boilers
Chemical process	2822	1395	Lion Copolymer, LLC, Baton Rouge Plant	Various emission points in facility
Carbon black	2895	4998	Columbian Chemicals Company, North Bend	Various emission points in facility
Petroleum refinery	4612	1006	CITGO Petroleum Corporation, Clifton Ridge Terminal	Various storage vessels
Petroleum refinery	4612	37119	CITGO Petroleum Corporation, Pecan Grove Tank	Various storage vessels and fugitives
Fossil-fired boiler	4961	1093	Monochem, Inc., Geismar Facility	#1, 2, and 3 boiler stacks
