**RFP No. 3000002300**  
**“Conduct Performance Audits of Ambient Air Monitoring Sites”**

LDEQ’s answer to the following question is intended to provide information to potential proposers questions to RFP No.3000002300

Questions and answers that may potentially result in the disclosure of information from proposals of competing bidders will not be published.

**Question 1:** The bottom of the first paragraph of section 3.2 in the RFP states, "The contractor shall use audit levels mandated by EPA, provided as Enclosure D." Is the department or the contractor responsible for deciding what audit levels to use?

**LDEQ’s answer:** The contractor is responsible for using the audit levels mandated by EPA, as listed in Enclosure D in the RFP. The Department can assist the contractor in ensuring that the proper audit levels are used.
