Dear Sir:

In this meeting, the Respondent provided a letter dated May 28, 2013, which documented the status of the requirements of the Order portion of the CONOPP. Based on the information provided by the Respondent during the meeting on May 28, 2013, and the Respondent's letter dated May 28, 2013, the interim limitations/conditions described in paragraph III of the Order portion of the CONOPP for the Baton Rouge Refinery and for the Baton Rouge Chemical Plant are no longer needed. Please be advised that this letter applies only to the termination of the interim limitations/conditions in paragraph III of the Order portion of the CONOPP and does not apply to or affect any other paragraph of the CONOPP.

If you should have any questions regarding this matter, please contact Richard Ober, Jr. at (225) 219-3704.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cheryl".
