

The Louisiana Department of Environmental Quality (LDEQ), via the authority of the Louisiana Office of State Purchasing (OSP), gives notice that it is requesting proposals from interested, qualified persons or firms for the "Two-Step Procurement for Underground Storage Tank Remediation Services" Step 1. Request for Proposals (RFP), Fifth Annual Advertisement. This first step RFP is advertised annually for companies to attempt to achieve competitive range standing in order to bid on later UST remediation-related Invitations to Bid. The RFP can be accessed at the following address:

- www.doa.state.la.us
- Click "DOA Offices"
- Click "State Purchasing and Travel (OSP)"
- Click "LaPAC"
- Click "Search by Bid Number"
- Enter "2214665"

Or companies can contact Linda.Swaggerty@la.gov for the bid document to be emailed to them.
