

# How To Make Payments Online

Visit: <https://business.deq.louisiana.gov/>

This screenshot displays a registration form with several input fields: Username, Password, Confirm password, E-Mail, First Name, Last Name, Company, Title, and Address. To the right of the form, there is a "Why Register?" section explaining the benefits of having an account, an "Are You a DEQ Employee?" section, and a "This is a Secure Site" badge with a lock icon and text stating "COMODO SECURE".

Screen to create a new account.

The screenshot shows the login page with the DEQ Louisiana logo and a navigation bar. The main heading is "Login to Your Account". Below the heading, there is a "Please login using your DEQ system account:" section with input fields for User Name and Password, and a "Remember Me" checkbox. A "This is a Secure Site" badge is also visible on the right side of the page.

Screen to log into account.

This screenshot shows the "Online Payments" section of the website. It includes a heading "Online Payments" and a sub-heading "Enter your AI number to view and pay your outstanding invoices or view other payments." Below this, there is an "AI Number" input field and radio buttons for "Pay Invoices" and "Pay Non-Invoiced Fees". To the right, there is a "Bank Fees Explained:" section and a "Credit Cards" section. A "Logged in as: alphar123" indicator is visible in the top right corner.

User can select to pay invoices received or prepaid invoices. User must have an AI number to pay both types of fees. The AI number is the Agency Interest number and is the Department's primary identifying number based on a physical location. The AI number can be found on permits, invoices, and correspondence from the department. If the user does not have an AI number for a new location, there is a link for an email address to request one. **You may only pay fees for one individual AI at a time.**

The screenshot shows the "Receipts List" page. It features a heading "Receipts List" and a sub-heading "The following is a list of all your payment receipts." Below this is a table with the following columns: Transaction Id, Item Count, and Date.

Transaction Id	Item Count	Date
----------------	------------	------

To see invoices and fees previously paid online there is a link to view existing payment receipts.
