

# NORTH LOUISIANA LISTENING & TRAINING SESSION

sponsored by the Louisiana Department of Environmental Quality  
in partnership with the US Environmental Protection Agency Region VI

## THURSDAY, NOVEMBER 1, 2007 - 12 PM to 6PM

LOUISIANA TECH UNIVERSITY · TECHNOLOGY TRANSFER CENTER · 8028 SHREVEPARK DR. · SHREVEPORT, LA 71149

### Grant Writing Workshop

EPA will offer a two hour training on federal grant writing from an EPA perspective. A cradle-to-grave approach will be presented that will include example workplans, helpful hints and common mistakes made.

Target Audience: Representatives of nonprofit, community-based organizations and other groups interested in learning the basics of grant writing

### Air Permitting Process Workshop

LDEQ and EPA will discuss their specific roles in the Air Permitting Process in Louisiana.

Target Audience: General Public

### Listening Session

Participants are invited to provide comments specific to environmental issues in North Louisiana.

Target Audience: North Louisiana communities
