

**Title 33
ENVIRONMENTAL QUALITY
Part XV. Radiation Protection**

Chapter 5. Radiation Safety Requirements for Industrial Radiographic Operations

§503. Definitions

A. As used in this Chapter, the following definitions apply:

* * *

[See Prior Text]

Radiographer Trainee—any individual who ~~has successfully completed the training, testing, and documentation requirements contained in LAC 33:XV.575.A, including satisfied~~ the following conditions:

a. ~~may have not completed the on the job training requirement consisting of~~ has been instructed for at least 40 hours completed as part of a three person crew composed of an instructor, a radiographer, and the trainee in the subjects outlined in Appendix A.I – III of this Chapter;

b. ~~has not completed the radiation safety examination required by LAC 33:XV.575.A.6; and successfully completed a company-specific written examination and field test covering the applicable Louisiana radiation protection regulations (LAC 33:XV) and the company’s operating and emergency procedures;~~

c. ~~has received written confirmation from the division that the individual is acceptable to be a radiographer trainee. Trainee status will be granted only once for each individual and is valid for no longer than 12 consecutive months completed and documented at least 40 hours of on-the-job training, in industrial radiography operations, as part of a three-person crew composed of an instructor, a radiographer, and the radiographer trainee applicant; and~~

d. has filed a completed Form DRC-20 with the department requesting radiographer trainee status and has received written confirmation from the department granting radiographer trainee status. Radiographer trainee status shall be granted only once for each individual and is valid for only 12 consecutive months. Radiography trainee status may be extended for an additional 12 consecutive months provided that the radiographer trainee has taken the industrial radiography radiation safety examination administered by the department or its agent during the first 12 months of granting radiographer trainee status.
