SETTLEMENT

The following Settlement is hereby agreed to between JGC Energy Development (USA) Inc. ("Respondent") and the Department of Environmental Quality ("DEQ" or "the Department"), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. ("the Act").

I

Respondent is a corporation that owns and/or operates an oil and gas production facility located south of the intersection of Harvey Cutoff and Turtle Bay N. Shore in Lafitte, Jefferson Parish, Louisiana ("the Facility").

II

On March 27, 2009, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-08-0136, which was based upon the following findings of fact:

On or about October 1, 2008, a file review of South Half Tank Battery – Little Lake Field (Facility), owned and/or operated by JGC Energy Development (USA) Inc. (Respondent) was performed to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Air Quality Regulations. The facility is located south of the intersection of Harvey

Cutoff and Turtle Bay N. Shore in Lafitte, Jefferson Parish, Louisiana. On or about February 18, 2008, the Department received the facility's air permit application dated February 15, 2008. The facility operated under Air Permit No. 1340-00332-00, issued on March 11, 2008. On or about November 21, 2008, the Respondent submitted a request for the termination of the facility's air permit. On February 20, 2009, the Department rescinded Air Permit No. 1340-00332-00.

The following violation was noted during the course of the file review:

According to the Respondent's air permit application dated February 15, 2008, the facility was acquired in August 2007. The Respondent failed to submit a permit application and receive approval from the permitting authority prior to operating the facility. Operating the facility between August 2007 and March 11, 2008, without an air permit is a violation of LAC 33:III.501.C.2 and La. R.S. 30:2057(A)(1) and 30:2057(A)(2).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of ONE THOUSAND TWO HUNDRED AND NO/100 DOLLARS (\$1,200.00), of which Three Hundred Fifty and 44/100 Dollars (\$350.44) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in LSA- R. S. 30:2025(E) of the Act.

VIII

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Jefferson Parish, Louisiana. The advertisement, in form, wording, and size approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an

original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

IX

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

X

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XI

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
