### Enviroschool workshops scheduled for August

BATON ROUGE – Enviroschool workshops, presented by the Department of Environmental Quality, help the public better understand the agency and how it operates. In August, the workshop topic for Baton Rouge, Shreveport, Lake Charles and New Orleans will be Criminal Investigations 101: Understanding the process. This session will introduce you to the program's mission, the major focus areas of the division, criminal enforcement of environmental crimes, case examples, and how the public can be involved. The workshop topic for Alexandria and Monroe is Air Quality 101: Understanding emissions and ozone. This session will discuss the emissions inventory, accessing data, learning about what data is collected and where monitoring stations are located. This session will discuss ozone, define attainment and non-attainment areas, and discuss how the new standard affects Louisiana.
