Re: Bossier Parish Consolidated Sewer District

Dear Secretary Leggett:

Thank you for sending your staff to meet with us today at the Louisiana House of Representatives concerning the Bossier Parish Consolidated Sewer District. As you are aware, Bossier Parish has been working on this process for several years and has expended substantial resources through the hiring of professionals and other obligations necessary to reach this point.

Please allow this letter to serve as a request for \$50 million of the \$120 million Louisiana Department of Environmental Quality State Stimulus Fund.

In the coming days I would like to request a meeting with you and your staff to go over detailed plans and provide to you the timeline in which to execute this regional plan if given the appropriate resources to do so.

Sincerely,

William R. Altimus
Parish Administrator
