Enviroschool to offer session on emergency response

BATON ROUGE – The Louisiana Department of Environmental Quality Enviroschool is offering two free sessions on DEQ emergency response. These sessions will provide an overview of the role and activities handled by the Emergency Response Division of DEQ including what happens when there's an emergency situation, DEQ's role and response during emergencies, procedures regarding complaint and spill reporting and the Single Point of Contact (SPOC).

The ENVIROSCHOOL program provides training for communities, businesses, and other organizations on many regulatory topics. The goal of this program is for attendees to become informed about the environmental regulatory process and to maintain and improve environmental compliance. Please register for one of these sessions below.
