**GOVERNOR**

MIKE D. McDANIEL, Ph.D.

**SECRETARY**

**For Immediate Release**

Oct. 24, 2006

**Contact:** Rodney Mallett

**Telephone:** 225.219.3964

### MEDIA ADVISORY

#### **State to demonstrate Mobile Air Monitoring Lab at Southwood High School**

**What:** The Department of Environmental Quality will introduce its new Mobile Air Monitoring Laboratory to the New Orleans area. The MAML is a 2006 Winnebago that has been equipped with state-of-the art monitoring equipment.

**When:** 9 -10 a.m.  
Thurs., Oct. 26

**Where:** Southwood High School  
9000 Walker Road  
located at the south entrance

**Why:** The MAML will help the department take air samples throughout the state and will be used to ensure the public that Louisiana meets all state and federal air quality standards.
