MEDIA ADVISORY

What: Governor's Louisiana Environmental Leadership Awards

When: Monday, Aug. 15, 2005, 2:30 p.m.

Where: Governor's Press Room
4th floor, State Capitol

Why: Governor Kathleen Babineaux Blanco will present more than 20 awards to facilities for their achievements in voluntary pollution prevention, implementation of environmental management systems and community outreach. The governor will also present three special recognition awards for air monitoring and mercury reduction. These awards recognize voluntary efforts by members of the Louisiana Environmental Leadership Program to improve the environment through innovative projects and improvements.
