

NetDMR and the EPA Electronic Reporting Rule

The **Louisiana Department of Environmental Quality (LDEQ)** is sponsoring free training sessions for communities, businesses, and other organizations that will give an understanding of **NetDMR and the EPA NPDES Electronic Reporting Rule**.

This session will provide an overview of the requirements of the electronic reporting rule and their compliance dates (discharge monitoring reports in December 2016 & notices of intent, notices of termination, and other program reports in December 2020).

An emphasis will be placed on NetDMR, which is the current electronic reporting system for discharge monitoring reports. Please register for one of the sessions below:
