Enviroschool to hold training seminars on underground storage tank closure

BATON ROUGE – The Underground Storage Tank Division of the Louisiana Department of Environmental Quality will provide training seminars on the revision of the closure guidance document. These seminars are free and UST staff will present information on the revisions to the closure documents, new closure notification and assessment forms and will provide general certified worker information.

The seminars will be held in May around the state. Seminar dates, places and times follow:

- Thursday May 13 – 9 a.m. to 12 p.m., Crowley
Acadia Parish AG Extension Service Office (LSU Ag Center)
167 Cherokee Drive, Crowley
- Tuesday, May 18, 9 a.m. to 12 p.m., Shreveport
Louisiana Technical College - Shreveport/Bossier campus building
E Auditorium, 2010 N Market Street
- Wednesday, May 19, 9 a.m. to 12 p.m., Monroe
Louisiana Technical College - Delta/Ouachita campus –
Wade Room, 609 Vocational Parkway, West Monroe
- Wednesday, May 26, 9 a.m. to 12 p.m. – New Orleans
Delgado Community College – City Park Campus
Student Life Center – Lac Maurepas Room
615 City Parks Avenue, New Orleans
- Thursday, May 27, 9 a.m. to 12 p.m. – Baton Rouge
Louisiana Department of Environmental Quality – Pensacola Room
602 N. 5th Street, Baton Rouge

These seminars are free and open to the public, Registration is encouraged. To register, go to www.deq.louisiana.gov/enviroschool or contact Samuel Broussard at 337-262-5744 or Tomeka Prioleau at 225-219-0877.
