EPA awards \$43 million in stimulus funds for Louisiana

BATON ROUGE - The U. S. Environmental Protection Agency awarded approximately \$43 million in stimulus funds to Louisiana. These funds provided through the American Recovery and Reinvestment Act of 2009 will assist state and local governments finance many of the overdue improvements to wastewater and fund green projects. These funds will support 55 municipalities in the State covering forty-two parishes. Cumulatively, the projects will serve more than 216,000 Louisiana citizens.
