Register now for DEQ 2010 Green Business Expo

BATON ROUGE – The time to register to attend and exhibit at the DEQ 2010 Green Business Expo, August 25, is now. Be a part of the expo that will showcase innovative, environmentally friendly businesses. There is still space available for exhibitors and registrants but time is getting short and the space is limited. Businesses can also register to be expo sponsors.

The expo will feature nine speakers who will each discuss their green business and more than 15 exhibitors displaying their technologies. Registration begins at 7 a.m. and closing remarks are set for 4 p.m. The \$60 cost to attend, hear the speakers and visit the booths will also cover breakfast, lunch and refreshments.

“This is an opportunity for DEQ to provide environmentally and economically sound ideas to businesses and individuals who are interested in environmental progress,” said DEQ Secretary Peggy Hatch. “Environmental protection and responsibility is key to the future and the expo will give business leaders, exhibitors, and anyone else who is interested the opportunity to discuss ideas and the benefits of green business.”

If you would like to register as an exhibitor or an attendee, or for more information on the expo, go to: www.deq.louisiana.gov/portal/ABOUT/GreenBusinessExpo.aspx or Call Terry Thomas, 225-219-3840.

Thank you to the sponsors who support the Green Business Expo.
