## JOIN THE GREAT AMERICAN CLEANUP™

**I**t's time for the Great American Cleanup™ 2001 and the Louisiana Department of Environmental Quality (DEQ) is urging everyone to participate.

DEQ is Louisiana's coordinating agency for Keep America Beautiful, Inc. From March 15, 2001 through May 15, 2001, Great American Cleanup™ events are scheduled throughout Louisiana. DEQ encourages all Louisiana citizens to participate through volunteer groups or community organizations in this litter prevention, beautification and community improvement program.

Every spring from mid-March to mid-May, extraordinary acts of civic pride and renewal take place. Last spring, during the 2000 Great American Cleanup Campaign, 17,000 volunteers in Louisiana cared enough about their community and state to conduct cleanups, beautification projects and educational programs. Volunteers contributed over 60,000 man-hours removing trash and debris from our highways and public areas. Approximately, 71,300 bags of trash, recyclables, and debris were collected during this event.

Louisianans joined more than two million volunteers in more than 10,000 communities in 39 states, Washington, D. C., Puerto Rico and Winnipeg, Canada who participated in this annual cleanup effort. Organized groups representing local communities, colleges/universities, scouts, sports teams, military personnel, as well as corporations, local businesses, civic leagues, youth groups and families took part in this tremendous effort.

The Keep Louisiana Beautiful Program at DEQ serves as a clearinghouse for all information received for distribution from the Keep America Beautiful national office. DEQ promotes this event on a statewide basis and works with local communities in planning their event and provides materials that they may need to conduct their cleanups or educational programs.
