

SEWAGE TREATMENT SYSTEM MAINTENANCE CLASS BEING OFFERED

You are invited to attend a free class on sewage treatment system maintenance. The information is geared toward homeowners and owners/operators of on-site sewage treatment systems as part of an effort to protect Bayou Lafourche from receiving improperly treated sewage. The information provided will help you prevent unsanitary conditions from impacting your home or business.

Attend one of the classes listed below to learn:

- How does my system work?
- How often should my system be inspected or pumped?
- How can I prevent costly repairs?

CLASS IS FREE! FOOD PROVIDED!
