SETTLEMENT

The following Settlement is hereby agreed to between Texas Petroleum Investment Company (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owns and/or operates an oil and gas production facility located approximately 18 miles northeast of Jeanerette in Iberia Parish, Louisiana (“the Facility”).

II

On November 1, 2012, the Department issued to Respondent a Notice of Potential Penalty, Enforcement No. AE-PP-12-00184, which was based upon the following findings of fact:

On or about April 19, 2011, the Respondent submitted a deviation report to the Department. The deviation report indicated an exceedance of the permit limits due to oil production exceeding the maximum permitted rate. Specifically, the Respondent submitted a corrected 2010 Criteria & Toxic Air Pollutant Emissions Certification Statement to the Department on or about May 2, 2011. The certification statement reported volatile organic compounds (VOCs) emissions of 34.83 TPY with a permit limit of 33.25 TPY. On or about May 2, 2011, the Respondent submitted a permit modification application to increase the expected oil production rate from 100 BPD to 175 BPD and VOCs emissions limit from 33.25 TPY to 40.73 TPY. The permit was modified and Minor Source Air Permit No. 1260-00088-04 was issued on June 6, 2011. The exceedance of the permit limits is a violation of Minor Source Air

Permit No. 1260-00088-03, LAC 33:III.501.C.4, La. R.S. 30:2057(A)(1) and 30:2057(A)(2).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of ONE THOUSAND ONE HUNDRED THREE AND 48/100 DOLLARS (\$1,103.48), of which Two Hundred Seventy Eight and 29/100 Dollars (\$278.29) represents the Department's enforcement costs, in settlement of the claims set forth in this agreement.

V

Respondent further agrees that the Department may consider the inspection report(s)/permit record(s), and the Notice of Potential Penalty and this Settlement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this agreement in any action by the Department to enforce this agreement.

VII

This settlement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and settlement, the Department considered the factors for issuing civil penalties set forth in La. R. S. 30:2025(E) of the Act.

VIII

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in Iberia Parish, Louisiana. The advertisement, in form, wording, and size approved by the Department, announced the availability of this settlement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

IX

Payment is to be made within ten (10) days from notice of the Secretary's signature. If payment is not received within that time, this Agreement is voidable at the option of the Department. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form (Exhibit A).

X

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement.

XI

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.
