**SETTLEMENT AGREEMENT**

The following Settlement Agreement is hereby agreed to between St. Landry Parish Solid Waste Disposal District (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

**I**

Respondent is a governmental entity that owns and/or operates a permitted Type II and Type III solid waste landfill located in Washington, St. Landry Parish, Louisiana (“the Facility”).

**II**

On October 9, 2023, the Department issued to Respondent a Notice of Potential Penalty, Enforcement Tracking No. SE-PP-23-00259 (Exhibit 1).

On September 16, 2024, the Department issued to Respondent a Notice of Potential Penalty, Enforcement Tracking No. SE-PP-24-00042 (Exhibit 2).

### III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

### IV

Nonetheless, Respondent, without making any admission of liability under state or federal statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of FOUR THOUSAND AND NO/100 DOLLARS (\$4,000.00), of which One Thousand Five Hundred Seventy-Eight and 34/100 Dollars (\$1,578.34) represents the Department's enforcement costs, in settlement of the claims set forth in this Settlement Agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

### V

Respondent further agrees that the Department may consider the inspection report(s), the Notices of Potential Penalty and this Settlement Agreement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

### VI

This Settlement Agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this Settlement Agreement in any action by the

Department to enforce this Settlement Agreement.

## VII

This Settlement Agreement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In agreeing to the compromise and Settlement Agreement, the Department considered the factors for issuing civil penalties set forth in La. R.S. 30:2025(E) of the Act.

## VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

## IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in St. Landry Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this Settlement Agreement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement Agreement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

## X

Payment is to be made within thirty (30) days from notice of the Secretary's signature. If payment is not received within that time, this Settlement Agreement is voidable at the option of the Department. The Respondent shall provide its tax identification number when submitting payment. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed

or delivered to the attention of Accounts Receivable, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303 or by Electronic Funds Transfer (EFT) to the Department of Environmental Quality, in accordance with instructions provided to Respondent by the Financial Services Division. Each payment shall be accompanied by a completed Settlement Payment Form attached hereto.

## XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement Agreement.

## XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

**RE: NOTICE OF POTENTIAL PENALTY  
ENFORCEMENT TRACKING NO. SE-PP-23-00259  
AGENCY INTEREST NO. 19220**

Dear Sir:

On or about September 1, 2022, and February 7, 2023, the Louisiana Department of Environmental Quality (the Department) conducted inspections of the **ST. LANDRY PARISH SOLID WASTE DISPOSAL LANDFILL** (the Facility), a permitted Type II and Type III solid waste landfill, owned and/or operated by **ST. LANDRY PARISH SOLID WASTE DISPOSAL DISTRICT (RESPONDENT)**, to determine the degree of compliance with the Louisiana Environmental Quality Act (the Act) and the Solid Waste Regulations. The Facility is located at 417 Solid Waste Road in Washington, St. Landry Parish, Louisiana. The Respondent operates under Solid Waste Standard Permit P-0043-R2-M4.

On or about July 24, 2023, the Department issued Warning Letter SE-L-23-00259 to the Respondent for a violation discovered during the inspections conducted on or about September 1, 2022, and February 7, 2023. On or about September 5, 2023 the Department received a response to the warning letter from a representative of the Respondent.

While the investigation by Department is not yet complete, the following violation was noted during the course of the inspections:

The Respondent failed to apply and maintain cover material sufficient to minimize erosion and reduce noxious odors as specified in sections 8.4 and 10 of the Comprehensive Operational Plan, in violation of Condition 2 of Standard Permit P-0043-R2-M4, LAC 33:VII.711.B.2.f, and LAC 33:VII.901.A. Specifically, during the September 1, 2022 inspection, erosion patches and faint

odors were observed at the northeastern corner of Cell 3. Additionally, erosion patches and three (3) large eroded areas measuring 202' l x 15' w, 72' l x 74' w, and 44' l x 14' w were observed on the east facing slope of Cell 15. These areas were measured using a measuring wheel. Erosion was also observed located on the west facing side of Cell 16 between the berm and start of the working face. Lastly, leachate seeps were noted in Cells 15 and 16. During the February 7, 2023 inspection, areas of eroded cover, which exposed the waste and failed to minimize external moisture infiltration, were observed in Cells 14 and 15. Additionally, erosion channels were observed on the eastern slope of Cell 3. The response to the warning letter stated the Facility has promptly repaired all areas of erosion by placing bentonite and clean soils over the seep areas to seal the leachate seeps, and vegetation has been re-established to minimize erosion. Additionally, photos were submitted which verified compliance.

Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

Prior to the issuance of any additional appropriate enforcement action, you may request a meeting with the Department to present any mitigating circumstances concerning the violation(s). If you would like to have such a meeting, please contact Frances Germany-Carr at (225) 219-3794 or frances.germany-carr@la.gov within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**.

The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance in order to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violations to the above named contact person within ten (10) days of receipt of this **NOTICE OF POTENTIAL PENALTY**. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify this statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.

For each violation described herein, the Department reserves the right to seek civil penalties and the right to seek compliance with its rules and regulations in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties and compliance.

The Department assesses civil penalties based on LAC 33:1.Subpart1.Chapter 7. To expedite closure of this **NOTICE OF POTENTIAL PENALTY**, the Respondent may offer a settlement amount to resolve any claim for civil penalties for the violation(s) described herein. The Respondent may offer a settlement amount, but the Department is under no obligation to enter into settlement negotiations. The decision to proceed with a settlement is at the discretion of the Department. The settlement offer amount may be entered on the attached "**NOTICE OF POTENTIAL PENALTY REQUEST TO SETTLE**" form. The Respondent may submit the settlement offer within one hundred and eighty (180) days of receipt of this **NOTICE OF POTENTIAL PENALTY**. The Respondent must include a justification of the offer.
