SETTLEMENT AGREEMENT

The following Settlement Agreement is hereby agreed to between Utilities, Inc. of Louisiana (“Respondent”) and the Department of Environmental Quality (“DEQ” or “the Department”), under authority granted by the Louisiana Environmental Quality Act, La. R.S. 30:2001, et seq. (“the Act”).

I

Respondent is a corporation that owns and/or operates a wastewater treatment facility located in Covington, St. Tammany Parish, Louisiana (“the Facility”).

II

On March 29, 2023, the Department issued to Respondent a Consolidated Compliance Order & Notice of Potential Penalty, Enforcement Tracking No. WE-CN-21-00850 (Exhibit 1).

III

Respondent denies it committed any violations or that it is liable for any fines, forfeitures and/or penalties.

IV

Nonetheless, Respondent, without making any admission of liability under state or federal

statute or regulation, agrees to pay, and the Department agrees to accept, a payment in the amount of TEN THOUSAND FOUR HUNDRED SEVENTY AND 18/100 DOLLARS (\$10,470.18), of which Two Thousand Nine Hundred Twenty and 18/100 Dollars (\$2,920.18) represents the Department's enforcement costs, in settlement of the claims set forth in this Settlement Agreement. The total amount of money expended by Respondent on cash payments to the Department as described above, shall be considered a civil penalty for tax purposes, as required by La. R.S. 30:2050.7(E)(1).

V

Respondent further agrees that the Department may consider the inspection report(s), permit record(s), the Consolidated Compliance Order & Notice of Potential Penalty and this Settlement Agreement for the purpose of determining compliance history in connection with any future enforcement or permitting action by the Department against Respondent, and in any such action Respondent shall be estopped from objecting to the above-referenced documents being considered as proving the violations alleged herein for the sole purpose of determining Respondent's compliance history.

VI

This Settlement Agreement shall be considered a final order of the Secretary for all purposes, including, but not limited to, enforcement under La. R.S. 30:2025(G)(2), and Respondent hereby waives any right to administrative or judicial review of the terms of this agreement, except such review as may be required for interpretation of this Settlement Agreement in any action by the Department to enforce this Settlement Agreement.

VII

This Settlement Agreement is being made in the interest of settling the state's claims and avoiding for both parties the expense and effort involved in litigation or an adjudicatory hearing. In

agreeing to the compromise and Settlement Agreement, the Department considered the factors for issuing civil penalties set forth in La. R.S. 30:2025(E) of the Act.

VIII

As required by law, the Department has submitted this Settlement Agreement to the Louisiana Attorney General for approval or rejection. The Attorney General's concurrence is appended to this Settlement Agreement.

IX

The Respondent has caused a public notice advertisement to be placed in the official journal of the parish governing authority in St. Tammany Parish, Louisiana. The advertisement, in form and wording approved by the Department, announced the availability of this Settlement Agreement for public view and comment and the opportunity for a public hearing. Respondent has submitted an original proof-of-publication affidavit and an original public notice to the Department and, as of the date this Settlement Agreement is executed on behalf of the Department, more than forty-five (45) days have elapsed since publication of the notice.

X

Payment is to be made within thirty (30) days from notice of the Secretary's signature. If payment is not received within that time, this Settlement Agreement is voidable at the option of the Department. The Respondent shall provide its tax identification number when submitting payment. Payments are to be made by check, payable to the Department of Environmental Quality, and mailed or delivered to the attention of Accountant Administrator, Financial Services Division, Department of Environmental Quality, Post Office Box 4303, Baton Rouge, Louisiana, 70821-4303. Each payment shall be accompanied by a completed Settlement Payment Form attached hereto.

XI

In consideration of the above, any claims for penalties are hereby compromised and settled in accordance with the terms of this Settlement Agreement.

XII

Each undersigned representative of the parties certifies that he or she is fully authorized to execute this Settlement Agreement on behalf of his or her respective party, and to legally bind such party to its terms and conditions.

I.	The Respondent owns and/or operates a wastewater treatment facility located at Pine Oak Drive at Cherokee Rose Lane, Covington, St. Tammany Parish, Louisiana. The Respondent was issued Louisiana Pollutant Discharge Elimination System (LPDES) Permit LA0066559 on September 29, 2015, with an effective date of November 1, 2015, and an expiration date of October 31, 2020. 	The Respondent was issued Louisiana Sewage Sludge and Biosolids Use or Disposal Permit LAJ019041 on February 22, 2017, with an effective date of March 1, 2017. Louisiana Sewage Sludge and Biosolids Use or Disposal Permit LAJ019041 expired on February 28, 2022. A renewal application was received by the Department on October 25, 2022.		
	Date of Violation	Description of Violation	
II.	Inspection(s) & File Review 6/11/2021 12/7/2022 3/22/2023	The Respondent failed to comply with LPDES Permit LA0066559. Specifically, a review of Discharge Monitoring Reports (DMRs) between January 2019 and January 2023, revealed that the Respondent reported exceedances of permit effluent limitations for BOD, TSS, Fecal Coliform, Zinc, and Copper. (See Table 1.) (LA0066559 (Effluent Limitations and Monitoring Requirements, page 1 of 5, and Standard Conditions for LPDES Permits, Section A.2), La. R.S. 30:2076(A)(3), LAC 33:IX.501.D, and LAC 33:IX.2701.A)	
III.	Inspection(s) 6/11/2021	The Respondent failed to properly operate and maintain its wastewater treatment facility. Specifically, algae growth was observed in the clarifiers and clarifier weirs of Plant No. 1 and Plant No. 2. (LA0066559 (Standard Conditions for LPDES Permits, Sections A.2 and B.3.a), La. R.S. 30:2076(A)(3), and LAC 33:IX.2701.E) A response to Warning Letter WE-L-21-00850 dated January 14, 2022, indicated the algae growth has been removed and the clarifiers and clarifier weirs of both plants have been cleaned.	
IV.	Inspection(s) 6/11/2021	The Respondent failed to comply with Louisiana Sewage Sludge and Biosolids Use or Disposal Permit LAJ019041. Specifically, the Respondent failed to sample the untreated sewage sludge for barium, silver, VOCs, SVOCs, pesticides, herbicides, and PCBs within one (1) year of the effective date of the permit. Louisiana Sewage Sludge and Biosolids Use or Disposal Permit LAJ019041 was effective on March 1, 2017. (LAJ019041 (Part II, Section D.1, and Part III, Section A.2), La. R.S. 30:2076(A)(3), and LAC 33:IX.7313.A.2) A response to Warning Letter WE-L-21-00850 dated January 14, 2022, indicated sampling of untreated sewage sludge for the above parameters was conducted on or about April 7, 2021.	
V.	Inspection(s) 6/11/2021	The Respondent failed to comply with LPDES Permit LA0066559. Specifically, the Respondent failed to provide documented monthly Stormwater Pollution Prevention Plan (SWPPP) inspection records as set forth in the SWPPP and failed to provide inspection logs associated with the discharge of secondary containment rainwater for 2020. (LA0066559 (Other Conditions, Section K.4.d, and Standard Conditions for LPDES Permits, Section A.2), La. R.S. 30:2076(A)(3), LAC 33:IX.2701.A, and LAC 33:IX.6513.A.2. A response to Warning Letter WE-L-21-00850 dated January 14, 2022, indicated daily visual inspections are conducted and documented on daily check sheets in lieu of monthly inspections and reports. Management and the compliance administrator for the facility currently review daily check sheets to include documentation in SWPPP monthly visual inspection records. Correspondence with the Respondent's representative received on or about January 23, 2023, indicated that the operator confirmed that secondary containment was drained in 2020 during the months of May, July, August, October, and December, which was noted on daily check sheets.	
VI.	Inspection(s) & File Review 6/11/2021 12/7/2022 3/22/2023	The Respondent caused and/or allowed the unauthorized discharge of wastewater into waters of the state from a location not authorized by LPDES Permit LA0066559 and failed to properly operate and maintain all facilities and systems of treatment and control. Specifically, the Respondent reported eighteen (18) sanitary sewage overflows (SSOs) between August 9, 2019 and January 2023. (See Table 2.) The unauthorized discharge of wastewater to waters of the state is in violation of La. R.S. 30:2076(A)(1)(a), and LAC 33:IX.501.D. The failure to properly operate and maintain the facility is in violation of LA0066559 (Standard Conditions for LPDES Permits, Sections A.2, B.3.a, and B.4), R.S. 30:2076(A)(3), and LAC 33:IX.2701.E.

R.S. 30:2076(A)(9), LAC 33:IX.501.A, and LAC 33:IX.2501.D)
VIII. Specifically, the Sewage Sludge & Biosolids Reporting Form for Out-of-State Land Application form for 2022 indicated 986.44 tons of sludge was generated by the facility during 2022 annual reporting period. The Respondent did not have authorization to pump out/remove sewage sludge from the facility following the expiration of Louisiana Sewage Sludge and Biosolids Use or Disposal Permit LAJ019041 on February 28, 2022. (La. R.S. 30:2076(A)(3) and LAC 33:IX.7301.D.1)
Based on the foregoing, the Respondent is hereby ordered to comply with the requirements that are indicated below:		
I.	To take, immediately upon receipt of this COMPLIANCE ORDER, any and all steps necessary to meet and maintain compliance with the Water Quality Regulations. This shall include, but not be limited to; correcting all of the violations described in the "Findings of Fact" portion.	
II.	To submit to the Enforcement Division, within thirty (30) days after receipt of this COMPLIANCE ORDER, a written report that includes a detailed description of the circumstances surrounding the cited violation(s) and actions taken or to be taken to achieve compliance with the "Order" portion of this COMPLIANCE ORDER. This report and all other reports or information required to be submitted to the Enforcement Division by this COMPLIANCE ORDER shall be submitted to the Department at the address specified in this document.	
III.	To immediately cease, upon receipt of this COMPLIANCE ORDER, any unauthorized discharges from the Respondent's facility to waters of the state.	
I.	The Respondent has a right to an adjudicatory hearing on a disputed issue of material fact or of law arising from this COMPLIANCE ORDER. This right may be exercised by filing a written request with the Secretary no later than thirty (30) days after receipt of this COMPLIANCE ORDER.	
II.	The request for an adjudicatory hearing shall specify the provisions of the COMPLIANCE ORDER on which the hearing is requested and shall briefly describe the basis for the request. III.	Upon the Respondent's timely filing a request for a hearing, a hearing on the disputed issue of material fact or of law regarding this COMPLIANCE ORDER may be scheduled by the Secretary of the Department. The hearing shall be governed by the Act, the Administrative Procedure Act (La. R.S. 49:950, et seq.), and the Division of Administrative Law's (DAL) Procedural Rules. The Department may amend or supplement this COMPLIANCE ORDER prior to the hearing, after providing sufficient notice and an opportunity for the preparation of a defense for the hearing.	
IV.	This COMPLIANCE ORDER shall become a final enforcement action unless the request for hearing is timely filed. Failure to timely request a hearing constitutes a waiver of the Respondent's right to a hearing on a disputed issue of material fact or of law under Section 2050.4 of the Act for the violation(s) described herein.	
V.	The Respondent's failure to request a hearing or to file an appeal or the Respondent's withdrawal of a request for hearing on this COMPLIANCE ORDER shall not preclude the Respondent from contesting the findings of facts in any subsequent penalty action addressing the same violation(s), although the Respondent is estopped from objecting to this COMPLIANCE ORDER becoming a permanent part of its compliance history.	
VI.	Civil penalties of not more than thirty-two thousand five hundred dollars (\$32,500) may be assessed for each day of violation. The Respondent's failure or refusal to comply with this COMPLIANCE ORDER and the provisions herein will subject the Respondent to possible enforcement procedures under La. R.S. 30:2025, which could result in the assessment of a civil penalty in an amount of not more than fifty thousand dollars (\$50,000) for each day of continued violation or noncompliance.	
VII.	For each violation described herein, the Department reserves the right to seek civil penalties in any manner allowed by law, and nothing herein shall be construed to preclude the right to seek such penalties.	
I.	Pursuant to La. R.S. 30:2050.3(B), you are hereby notified that the issuance of a penalty assessment is being considered for the violation(s) described herein. Written comments may be filed regarding the violation(s) and the contemplated penalty. If you elect to submit comments, it is requested that they be submitted within ten (10) days of receipt of this notice.

If you would like to have such a meeting, please contact Andrea M. Tabora at (225) 219-3090 within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY.	
III.	The Department is required by La. R.S. 30:2025(E)(3)(a) to consider the gross revenues of the Respondent and the monetary benefits of noncompliance to determine whether a penalty will be assessed and the amount of such penalty. Please forward the Respondent's most current annual gross revenue statement along with a statement of the monetary benefits of noncompliance for the cited violation(s) to the above named contact person within ten (10) days of receipt of this NOTICE OF POTENTIAL PENALTY. Include with your statement of monetary benefits the method(s) you utilized to arrive at the sum. If you assert that no monetary benefits have been gained, you are to fully justify that statement. If the Respondent chooses not to submit the requested most current annual gross revenues statement within ten (10) days, it will be viewed by the Department as an admission that the Respondent has the ability to pay the statutory maximum penalty as outlined in La. R.S. 30:2025.	

IV.	The Department assesses civil penalties based on LAC 33:1.Subpart1.Chapter7. To expedite closure of this NOTICE OF POTENTIAL PENALTY portion, the Respondent may offer a settlement amount to resolve any claim for civil penalties for the violation(s) described herein.
