FISCAL AND ECONOMIC IMPACT STATEMENT FOR ADMINISTRATIVE RULES

RULE TITLE: Bulletin 1929—Louisiana Accounting and Uniform Governmental Handbook Definitions and Minimum Requirements

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

There are no estimated implementation costs or savings as a result of the proposed rule change. The rule change updates the education qualifications of district business leaders by expanding the accepted collegiate experience needed for the position to include a baccalaureate degree with a minimum of 24 hours of undergraduate business courses that qualify as core courses in college major programs, including accounting, finance, business administration, or business management. The proposed rule change additionally amends the definition of supplies and equipment by raising the value threshold of equipment, which are items that must be inventoried and tracked, from \$5,000 to \$10,000. Items below the \$10,000 threshold are considered "supplies" and generally do not require any detailed individual tracking beyond proof of receipt in accordance with 2 CFR 200.313.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

There is no anticipated effect on the revenue collections of state or local governmental units as a result of the proposed rule change.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL GROUPS (Summary)

The proposed rule change concerning the definition of equipment may result in a decrease in workload for local education agencies due to a potential reduction in the number of items that will require long-term tracking and inventory.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule change requiring district business leaders to have a baccalaureate degree with a minimum of 24 hours of undergraduate business courses that qualify as core courses in certain college major programs may limit the number of qualified applicants for these positions, thus decreasing competition.
