----------------------	-----------	------

CHECK ALL THAT APPLY

- ☐ The renewal is requested in accordance with the previously submitted application(s)
☐ There are no changes in the health physics program, leak test capabilities, personnel monitoring, or the quantity and kinds of radioactive materials at the facility
☐ There are no changes in radiation program personnel
☐ Changes are attached to application form
☐ Resume' and qualifications are attached for new radiation program personnel

The addendum to permit applications per LAC 33:I.1701 is now required by the Department of Environmental Quality to be completed with each renewal.

This can be found at <http://www.deq.state.la.us/permits/1701addendum.doc> or <http://www.deq.state.la.us/permits/1701addendum.pdf>.

Note: If there are a large number of changes or if there is any major change in the radiation program, then a new complete application for a radioactive material license may have to be submitted in its entirety.
